Overview Catering

We have saved some of the nicest spots on our trade fair grounds for the restaurants.

The Restaurant am Wasser (*) next to the Teinacher Kaskaden offers space for up to 300 guests – including a spacious terrace and an extra room.

The Restaurant am Park (**), meanwhile, has room for 270 people, and its terrace in Rothaus Park can accommodate an additional 100.

Finally, Restaurant im Westen (***) has space for 90 guests.

Messe Stuttgart also invites guests to the bistros in its halls, the Hochland Café in the Atrium, and the Snack & Shops located at the Entrances East and West.

Mobile catering areas can also be arranged if required.
