

In addition to the service portfolio for telecommunications and the Internet, our **Business Center** can offer you the following products and services:

- Cables and adapters for networks, telephones, video and audio, as well as international (power) connectors
- Extended computer supplies: keyboards, computer mice, switches, USB
- Extensive range of office supplies, e.g. hole punchers, staplers, stationery, adhesive materials, folders and table displays
- Copyshop: copying and laminating, thermal bind covers, faxing and business card service

You can find the **Business Center** in the atrium of Messe Stuttgart (East Entrance).
