For the provision of ceiling suspensions the submission of a layout sketch and of form 2.7 03 "Mandatory data for ceiling suspensions" is absolutely essential.

* Please make note of the deadline for ordering in the SMS Portal of the respective trade fair at which you are participating (under the section "Dates & Deadlines").

Orders received after the indicated ordering deadline require individual examination in order to guarantee execution. Such orders are subject to a surcharge of 25 % and to 50 % if received at/after the beginning of stand set-up.

All prices quoted are subject to the statutory VAT valid at this time (according to the relevant version of the Value Added Tax Act).

The stated service can only be performed if at the time there are no outstanding payments owed to LMS.

It is explicitly stated that data will be stored according to A 14 of the General Terms and Conditions for Services A.

Item No.	Quantity	Description	Unit price EUR
02-089		Power cabling via hall roof (all halls)	on request

For cabling via the hall roof the cable is guided vertically from the power distribution at your stand to the roof and is laid from there to the desired suspension point.
 An additional drop as a current discharge point may be necessary depending on the electricity position.
 The costs for cabling via the hall roof are based on the running metres required.
 Costs for work time, tools and accessories are already included.

Prices per running metre of cable:

5.70 EUR	Safety (Schuko) 10 A / 2 kW
6.70 EUR	16 CEE 16 A / 9 kW
7.80 EUR	32 CEE 32 A / 18 kW
2.90 EUR	PE earthing

For the provision of ceiling suspensions the submission of a layout sketch and of form 2.7 03 "Mandatory data for ceiling suspensions" is absolutely essential.
