

Stand construction photographs

Stand construction photographs / video recordings will normally be taken exclusively on working days after the trade fair closes (from 18.00) and after the stand has been cleaned.

If you wish your stand to be photographed on a Sunday or public holiday, a 50 % surcharge will be made on the photography price.

Video recordings

The produced contents are unedited with approx. 1 hour runtime.

Special audio recordings respectively interviews are not included in the basic price. The recordings contain the original sound of the trade fair action.

The video recordings are provided in the following standard formats: Mini DV, S-VHS or VHS.

Delivery

Stand photographs and video recordings will normally be delivered 1 week after the recording at the expense and risk of the customer.

Express orders and delivery within 2 to 3 days and/or during the trade fair will only be carried out on explicit request and are subject to a surcharge of 100 % on the basic price.

Photographers from the Messe Stuttgart photo team will come to your exhibition stand for a preliminary discussion after you placed your order. They will always identify themselves by means of an official ID of Messe Stuttgart.

This ensures that you receive good quality photographs and need not make any advance payments to these photographers.
