

Stand construction photographs

Stand construction photographs / video recordings will normally be taken exclusively on working days after the trade fair closes (from 18.00) and after the stand has been cleaned.

If you wish your stand to be photographed on a **Sunday or public holiday**, a **50 % surcharge** will be made on the photography price.

Video recordings

We produce videos directly on your trade fair stand tailored to your needs. We are also happy to advise you on the subject of video production.

Social media clips with a length of 1 – 2 minutes are popular. We also create product and machine videos or comprehensive trade fair films.

After editing and post-production, you will receive the film via a download link in the appropriate format for e.g. Youtube or Facebook.

Delivery

Stand photographs and video recordings will normally be delivered 1 week after the recording at the expense and risk of the customer.

Express orders and delivery within 2 to 3 days and/or during the trade fair will only be carried out on explicit request and are subject to a surcharge of 100 % on the basic price.

Photographers from the Messe Stuttgart photo team will come to your exhibition stand for a preliminary discussion after you placed your order. They will always identify themselves by means of an official ID of Messe Stuttgart.

This ensures that you receive good quality photographs and need not make any advance payments to these photographers.
